Raechel Myers loves God's Word. A reluctant writer but lover of story, she delights in the evidence of God's beauty, goodness, and truth in everyday life—just ask her kids. Co-founder and CEO of She Reads Truth, Raechel has a Bachelor's degree in Housing and Environmental Design, and is not afraid to paint a whole house over a long weekend. She longs to cook artisanal meals, but loves Chinese takeout, wearing too much chambray, and kissing her husband. Raechel is fueled by double tall mochas and her strong passion to direct women to God and His Word. She lives south of Nashville, Tennessee with her three favorite people and an old dog named Scout. Amanda Bible Williams is crazy about words. True words are her favorite, one of many reasons she adores her role as Chief Content Officer of She Reads Truth. Amanda first met Jesus in an East Tennessee church pew as a little girl, and now she finds Him daily in the pages of God's Word and in a loud, old farmhouse east of Nashville where she lives with her husband and three young children. She has degrees in English and Psychology and nearly a Master's in Religion. Amanda enjoys dancing with her kids, reading herself to sleep, and explaining that her maiden name really is Bible.

Friendly, down to earth and perfect for groups or alone.

I did this for a post-Grad, young women bible study. Rachael and Amanda do a great job speaking to this age group in my opinion. They're so genuine and their excitement really shows in the video series that goes along with it. It was convicting in some ways but made me very joyful to get started on each week's lesson. Highly recommend for yourself or a group!

Great study book to go through for any woman no matter how long you've been following Christ. I'm a Young Life leader and I did this study with 3 high school girls. It has a great amount of individual study and also good discussion questions. The study seems to be written for women who are married/have kids but we still enjoyed it and got a lot out of our time together!

Was delivered super quickly and packaged nicely. Love the book, I use the She Reads Truth app

and it was great to finally see the book that the app had been talking about!

This book is the best book, it helps you to understand why you should open your Bible and study it and to find out how God wants us to live our life.

practical application for (like the title says) opening up your bible...

Amazing book! Great start for a women's bible group. They guide you through for a full 6 weeks

This was such an awesome study! It really helped me to dig into the Bible. The author is easy to relate to and made the study enjoyable and meaningful.
