I bought the book as a gift for my husband. I must say he has been engrossed with the book for the past few weeks. We have had some good discussions surrounding the content of the book as we are both Rastafarian. The book was in excellent shape, and I am happy with my purchase.

Spectacular book; I read this book back when I was bout ** and it just open my eyes to Dread fe real. Anybody who want to read in depth 'bout rasta shold check this out, anyway you can. True classic.
