Hong Kong: All Attractions By Your Own Self Through Public Transportation.

Synopsis

Only take a look at the free sample of this book and you will come to know the reason why you can get all attractions in Hong Kong by your own self. In addition to the detailed information especially on “the ways” to the must-visits, maps and photos indicated by arrows and explaining boxes will give you full confidence to try them by yourself. You need neither to chase after a guide nor to ask passers-by for your destination. Secondly, you can get them all only by metro, bus and ferry. You don’t need to take even a taxi. What exit you have to come out of, how to find a bus stand or ferry terminal, which bus you are to take and where you have to alight from the bus are all explained in detail through maps and photos. At the introduction of public transportation in Hong Kong, you will meet AEL (Airport Express Line), MTR (Mass Transit Railway. Metro.), bus and ferry. How to use them and how to get there will be added, too. Thirdly, do not include breakfast when you book a hotel in Hong Kong. If include, you will regret on losing the rare chance to try “Yam Cha”, the Hong Konger’s traditional breakfast with tea. You will meet 8 Yam Cha Restaurants in this book. How to get the restaurants, what kind of tea and food you may like and how to order them are all explained by maps and photos. It’s so unique, cheap and tasty. Instead of the observatory at Peak Tower, you will meet “The Peak Circle Walk” at the famous The Peak at Hong Kong Island. This book will unveil the legendary face of Hong Kong to you through the family walk at The Peak. You will also meet photographers at the lookouts waiting for their best moment to grasp the fantastic perspective of Hong Kong. At the famous outlying island of “Lamma”, you will meet the Hong Kong’s traditional ferry named Kai-To. If you try the small ferry at the island, it will take you to the beautiful harbor of Aberdeen at Hong Kong Island. Different from the others, this book will show you 5 beautiful beaches at Hong Kong Island such as Repulse Bay, Stanley, Shek O, Big Wave Bay and Turtle Cove Beach. For your walking, jogging and hiking, the breathtaking trails such as Mount Parker Road, Dragon’s Back, Sunset Peak and Lantau Peak will be added. As promised, how to get all of them will be explained in detail through maps and photos. I’m sure that you will meet a quite different face of Hong Kong you have never heard before. Download this book in your cell phone and fly to Hong Kong. Then, your mobile phone will show you all of the ways to the attractions. You can get them all by your own self.
