Bleach, Vol. 14

Synopsis

Cleaning up the afterlife – one spirit at a time! R to L (Japanese Style). Cleaning up the afterlife – one spirit at a time! Ichigo Kurosaki never asked for the ability to see ghosts - he was born with the gift. When his family is attacked by a Hollow, a malevolent lost soul, Ichigo becomes a Soul Reaper, dedicating his life to protecting the innocent and helping the tortured spirits themselves find peace. Find out why Tite Kubo's Bleach has become an international manga smash-hit! The race to save Rukia from the Soul Society is officially on, and Ichigo and company have come to their first roadblock, a very, very big roadblock. Jidanbō, the monstrous, fez-sporting gatekeeper hasn't let a single soul enter the Western Gate he guards in over 300 years, and he isn't about to change his mind about it just because Ichigo's crew wants to go through either. But, in a where-the-rubber-meets-the-road kind of way, Ichigo wasn't expecting his assault on the Soul Society to be a piece of cake either. After all, that'd just be boring. White Tower Rocks: Ichigo and Yoruichi race to save Ichigo's friends from Rukia's cold-blooded brother, Byakuya Kuchiki. They arrive to find Ganju in tatters, and Rukia with him. Ichigo is bent on defeating her brother this time, but he is nowhere near prepared. Can he learn decades' worth of skill in just a matter of days?

Customer Reviews

Bleach is author Tite Kubo's second title. Kubo made his debut with *Zombie Powder*, a four-volume series for Weekly Shonen Jump. To date, Bleach has been translated into numerous languages

and has also inspired an animated TV series that began airing in Japan in 2004. Beginning its serialization in 2001, Bleach is still a mainstay in the pages of Weekly Shonen Jump. In 2005, Bleach was awarded the prestigious Shogakukan Manga Award in the shonen (boys) category.

I started buy Bleach shortly before the Borders Bookstore by my home announced it was closing its doors. Because of this there were volumes that I missed out on, but thank god for . I bought this (and one other) volume and they arrive in pristine shape; I felt so giddy just holding them. Thank you , be it on my Kindle, or in hand, you've never failed me with my book orders.

The only thing that really matters is that you FINALLY get to see Yoruichi's human form in the manga. Ichigo's face just cracks me up each time I read it. There are some pretty good fights here...the best, I'll say we're the Yoruichi vs Byakuya and Uryu vs Mayuri. Sooo good. Love Bleach!!

I love bleach! I love even more that I can buy them in a collected edition and save some money. Ohhh the twists and turns! You won't be disappointed!

bought as a gift for my son he loves this series only fifty more to go

This series is almost unequaled in its depth of characters, its storylines, and its length. A well written almost never ending tale of action adventure love betrayal death and almost everything human. Buy the manga, Buy the movies, Buy the dvd's. If you can find it on blu-ray pick it up and keep it forever. Its certainly worth it.

Got it on released day. I'm really happy it came. Love this series :)

Good volume

i like it
