James Patterson has had more New York Times bestsellers than any other writer, ever, according to Guinness World Records. Since his first novel won the Edgar Award in 1977 James Patterson's books have sold more than 300 million copies. He is the author of the Alex Cross novels, the most popular detective series of the past twenty-five years, including *Kiss the Girls* and *Along Came a Spider*. He writes full-time and lives in Florida with his family.

My son loves this series. He kept asking for the whole set of these manga books. I really did not know what a manga book was until he showed these books to me. I can't even count how many times he has read this book. Maximum Ride Volume 5 written by James Patterson is one of his favorites. He has all 5 volumes.

This series has been keeping my kids busy this summer. They wait for the mailman to run to see if their next book in the series has come yet. I may read the first book, it sounds interesting. My kids think I'll love it as much as they do.

My daughter loves these series

Always enjoy a good Max Ride book!

The most important part of the storyline is in this book series it really blew my mind because it felt so real but it was all a dream simulation even though she escaped in many scenes and they made that happen, amazing

Bought this as one in a series for my granddaughter's birthday. She simply loves these books and they keep her reading over the summer months. A great buy for a great set of books. Great reads for all ages!!!
