Customer Reviews

Good jokes! Short, light and funny! Laughter is a great form of stress relief, and that's no joke. When you start to laugh, it doesn't just lighten your load mentally, it actually induces physical changes in your body. I liked especially the jokes with misinterpretation. Some jokes are replay hilarious. These jokes make you laugh and helps to regulate your body activities. Absolutely loved this joke book! This was actually really funny!

Gift for secret santa. Book seemed a little small, smaller than I thought actually. The few jokes I read were funny. Liked that it had sections. As far as I know it was a hit with recipient

some of the jokes are funny but none are side splitters. some are insensitive i/r/t gender or national heritage. not what I was expecting and certainly not in keeping with current times...

Really? English jokes like Andy Capp? WTF? "Me Mum said there are three quid in it for me if I fetch me dad a cup of tea....."

Great joke had me crying

Very funny book

I bought it for my sister in law that loves jokes. She loves the book!

Gift for my 85 year old Mother.
