How To Write A Children's Book And Get It Published

Synopsis

An Alternate Selection of the Literary Guild Here is everything the aspiring children's author needs to know about the five essential steps to publication: researching the current marketplace, developing story ideas, strengthening writing skills and improving work habits, submitting proposals and manuscripts to agents and publishers, and becoming part of the writing community. What's more, this revised and expanded edition contains updated reading lists and organizational references, as well as the latest information on word processing and illustrating with computers. There's also a new chapter on writing plays for children, and innovative suggestions for handling difficult contemporary issues such as AIDS. From character sketches to bound books, author/editor Barbara Seuling shows how to get involved and work toward success in today's world of children's literature.

Do you dream of becoming the next J. K. Rowling? Are you excited about writing for children but have no idea how to begin or where to send your material? Now, respected children's writer Barbara Seuling gives you the essential steps to getting published in the competitive, exciting

world of children's literature. From finding story ideas and creating character sketches to plotting, writing dialogue, editing, and revising your work, you'll learn how to complete a manuscript and prepare it for submission. Whether you want to write picture or chapter books, fiction or nonfiction, poetry or plays, Seuling helps you master the different genres and capture a child's interest and imagination, from the early years to young adult. Her fully revised guide also covers the major developments in book publishing, including vital information about using the Internet to research the market and contact publishers. Seuling even discusses recent successes such as the Harry Potter series, as well as the growth of .com. Complete with updated lists of writing organizations, marketing information, and recommended reading, this is the only guide you need to start writing, get published, and touch the lives of children. --This text refers to an out of print or unavailable edition of this title.

Barbara Seuling, the Author and illustrator of more than twenty books for children, including a book of magic tricks and the popular "Freaky Facts" series, worked for nine years for major publishing houses as a children's book editor. She lives in New York City and Landonderry, Vermont.

grest

Entering into a new professional field offers excitement as well as challenges. The advice, knowledge, and direction offered by Barbara exceeded all expectations. While reading Barbara's book, I found myself dog-earring pages, underlining specific areas for easy reference while filling the margins with notes. Barbara not only takes the mystery out of understanding the basics, she masterfully builds upon them step-by-step starting with the development of concept to finalizing a query letter and proposal. There is much to gain from Barbara while reading her book: it is a road map offering sound advice and direction as one journeys into the field of authoring children's books.Â Â How to Write a Children's Book and Get It Published

Great resource to have on hand. Let's you know the nuts and bolts to the world of children book publishing.

WONDERFUL BOOK

It was much more "technical", detailed, than I hoped it would be. I wanted a book with the basics on

how to write children's books.

This book was so helpful to me in submitting a manuscript to publishers. Very informative. I recommend you read this no matter what type of book you're writing.

This book contains splendid and valuable information for someone new to the writing and publishing world. If you are seeking information of where to go to find the right person or company to assist in getting a manuscript published, this book can be beneficial.

Bought this for my daughter. She loves it and is on her way to finishing her first children's book. She said this book helped her in writing her book and also getting it published.
