Customer Reviews

KEVIN GRANT is Professor of History at Hamilton College. He is the author of *A Civilised Savagery: Britain and the New Slaveries in Africa, 1884-1926* (New York: Routledge, 2005).

It is a good book that encompasses all the perspective of the colonization of Africa. It gives a clear picture of slave labor and the effects of the industrial revolution had influenced the acquisition of natural resources.
