Product Dimensions: 1.2 x 6.5 x 9.5 inches

Shipping Weight: 2.1 pounds

Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #4,462,599 in Books (See Top 100 in Books) #98 in [Books > Reference > Writing, Research & Publishing Guides > Publishing & Books > Bibliographies & Indexes > Politics](#) #45126 in [Books > Literature & Fiction > History & Criticism > Movements & Periods](#) #55010 in [Books > Textbooks > Social Sciences > Political Science](#)

Customer Reviews

"Covering fifteen centuries of children's literature in less than 600 pages seems a formidable task but Bingham and Scholt have taken the challenge and completed it successfully. From the oral literature of the Celts to Lois Lenski, the authors have given the reader an in-depth look at literature that has been given to children in Britain and America in these past fifteen centuries. ... [This book] is an excellent resource for children's literature scholars, librarians, literary historians, and anyone else interested in books and literature."-History of Reading News

Thank you, I was pleased with Fifteen Centuries of Children's Literature: An Annotated Chronology of British and American Works in Historical Context. This reference book is an invaluable resource for researching the history of children and children's literature from the year 523 to 1945. In the beginning of the book, several illustrations depict some of the many forms of the English language,

also illustrations from the pages of ancient Bibles, fairytales, and some old books. Each chapter is from a different era starting with the Anglo-Saxon Period through the Twentieth Century including the dates for that era. Included in each chapter, Historical Background, Development of Books in Britain, Development of Books in America, Attitudes Toward and Treatment of Children in Britain, Attitudes Toward and Treatment of Children in America, Annotated Chronology listed by year. The Appendix includes American Periodical's for Children: A Chronological Checklist, British Periodical's for Children: A Chronological Checklist, Facsimiles and Reprints of Books included in the Chronology, Bibliography of Secondary Sources, Index of Authors, Illustrators, Translators, and Early Publishers, Index of Titles Cited in the Chronology.
