Wonderful map - the Marco Polo maps are the best for driving or just viewing to better understand a country's geography and where towns are in relationship to each other. Perfect level of detail.

Very detailed. The map is sturdy but very large. I cut into manageable sizes for each portion of our

travel.

Useful for planning, but awkward to take on trip. The place markers are not,very useful as,they are not sticky enough.

too bulky for a road trip but good for a big desk or floor
