Learn German With Stories: Zurück In Zürich - 10 Short Stories For Beginners (Dino Lernt Deutsch 8) (German Edition)

Synopsis

Following their "Walzer in Wien", Dino and Elisabeth are off to Switzerland to visit extended family and enjoy some fresh mountain air but soon find themselves caught up between high-end expenses and a strange exercise in escape artistry. While reveling in the beauty of Lake Zurich, the old city and the alpine view, Dino grapples with the incomprehensibility of the Swiss dialect and reveals a surprising aspect about his girlfriend's family. Explore Zurich, learn about local customs and culture and improve your German effortlessly along the way! This book is designed to help beginners make the leap from studying isolated words and phrases to reading (and enjoying) naturally flowing German texts. Using simplified sentence structures and a very basic vocabulary, this collection of short stories is carefully crafted to allow even novice learners to appreciate and understand the intricacies of coherent German speech. Each chapter comes with a complete German-English dictionary, with a special emphasis on collocative phrases (high frequency word combinations), short sentences and expressions. By working with these "building blocks" instead of just single words, learners can accelerate their understanding and active usage of new material and make the learning process more fluid and fun.

Customer Reviews

Another wonderful book by André Klein. I'm making my way through all the Dino books, and this one looks to be as lovely as the rest. And what's more, they really work! My German is improving simply by reading these stories one by one.

I consider myself an advanced beginner. I've had trouble finding appropriate reading material. This book nailed it. I especially liked the eBook version which provided instant phrase translation. Fun story.

I am teaching German to a college student and the idea of immersion in the German language is working very well. The German constructions are still simple enough that he can master answering the questions in German. Thank you very much.

Love Klein's stories. Great for adult German learners.

I have all eight books. Great learning tools.

good for learning new vocabulary

Keep the stories coming Andre. These are excellent augmentations for German students to expand vocabulary.

Andrew Klein has done it again. A well written tale with a lot of useful words added to my German vocabulary. As always it is of high quality and entertaining. It provided an interesting insight into Swiss culture and life.
