Odin (Billionaire Titans Book 2)

Synopsis

Alison Ryan brings you ODIN, a full-length billionaire romance thriller and the second book in the Billionaire Titans Series. This book is a full story with no cliffhanger and a guaranteed HEA. Odin Titan is just your typical billionaire heir. Except his brother, ex-Navy SEAL Atlas, has brought trouble to his doorstep. Odin's life of fast cars and faster women has come to a screeching halt in the time it takes to squeeze a trigger. Now Odin's life and future are in the hands of widowed doctor Clara O'Grady, who has lived a solitary life dedicated to her patients since the violent loss of her husband six years ago. Can Clara heal Odin and teach him what truly matters in life? Can Odin help Clara shed her past and learn to live, and to love, again? The enigmatic QB terrorized the Titan family in Atlas, book one of the Billionaire Titans series, and he's not finished yet. Two brothers, side by side with the strong women in their lives, take on a villain who will stop at nothing to get what he wants. Odin is a tale of twists, turns, revenge, love, and loss, with plenty of steam and a guaranteed HEA. Every loose end from Atlas gets tied up in this one. Enjoy!

OMG, what a super read. I finished reading Odin in one sitting. You just could not put it down once I started reading it. It been a while since I read a book that I put everything on hold to read. This was such a wonderful story, plenty of action, mild sex and great characters I fell in love with. Don't mess with the Titan boys. If you haven't read Atlas do yourself a favor and buy it along with Odin, I guarantee you will love them both.

Alison Ryan's done it again, another great 5 star ++ book. Odin is the second in the Billionaire Titan's series, with Atlas being the first. Odin is wealthy, sexy, the brother of Atlas and the socialite of the family. You really need to read Atlas first if you haven't and you will get your HEA in Odin. Atlas is a Navy Seal in the world of dark opps. Odin's life changes when he is injured in a drive by shooting and is put into a coma to heal. For his safety he is put in hiding and under the care of Clara, a widowed Doctor with a broken heart. Lots of action and suspense in this book that will keep you sitting on the edge of your seat, page turning. What a great love story that will warm your heart.

A flawless continuation of "Atlas" book 1. Odin is a story of thrilling suspense, love, romance and loss. A powerful madman, is methodically trying to kill all members of the Titan family. After a shooting, Atlas Titan has his brother, Odin Titan, moved to a safe house to be cared for by personal physician Dr. Clara O'Grady. The budding romance of Odin & Clara is a pleasure to read. I highly recommend this book. Note: No cliffhanger.

This book deserves more than 5 stars! Alison Ryan is a master storyteller. She weaves sexy and suspenseful in perfect harmony. Holy smokin' hotness. Odin!! He truly IS the brains behind the brawn of his brother, Atlas. He is the socialite of the Titan family, but is just as comfortable in the confines of the pages of a book. He loves his family ferociously, and will do anything to protect them. He becomes the target of a drive-by-shooting. He is placed in an induced coma to help him heal, but it must be done in hiding. Along comes Clara, an emergency room doctor, who has suffered her own loss of love and family. She is hired by Atlas as a private doctor to save his brother. Little did he know she would save him in more ways than one. Her heart softens as she cares for him. His heart falls for hers without even seeing her. Odin has a heart of gold and the words to win over his love, once he learns to speak again. Clara's knowledge of soccer brings the Titan family in contact with the bad guys who are after them. Detailed plans are put into place, but Odin has to stay behind due to his injuries. Can they protect each other and

everyone else from the real threat that is among them? Alison provides a long-awaited HEA that is so worth it! I am beyond excited for you to read this book. The story is amazing and flows well after the story of Atlas. It also intertwines into some of Alison's other stories, which I love. It simply makes for more reading, which is always a plus!! More books, more books, more books - this reviewer chants!

Such an exciting read could not put it down fastmoving action incredible sexy scenesand incredible plot can't wait for book3

Will be interesting to see what Nolan will be about. Cant wait to start reading it. Hope you read these stories as much as i have

I love stories full of love and action. This story is absolutely the best. Be sure to read 'Atlas' first, so you don't get confused. Love all the drama, doctor falls for patient, life of a very rich family and so much more.

I loved Odin's story as much as I did Atlas. The never ending twists and turns. The on the edge of your seat anticipation. And, of course, the steamy romance of the characters.
