Customer Reviews

I thought this book was wonderful for those who love to stay connected to Disney in between their vacations. I love hearing about others trip experiences and this was great in that regard. It finishes with some planning tips. Check it out!

Fantastic Book! Starts out with the author telling you a bit about her life and hardships early on to show you that no matter where you are at, these magical dreams can come true!

Was a good read, I would recommend this book to others, a page turner.

I loved every single Disney vacation encounter that Jennifer and her family went on! Thank you so much for telling your stories and sharing your tips!
