Prime Movers: The Makers Of Modern Dance In America

Synopsis

The lives and works of the choreographer-dancers who created American modern dance come vividly to life in this graceful and witty book. It illuminates such greats as Loie Fuller, Isadora Duncan, Ruth St. Denis, Ted Shawn, Doris Humphrey, Martha Graham, Merce Cunningham, and Twyla Tharp. Together, they made up the group of geniuses who created a new theatrical dance form that was serious, unique, and, most important, not classical ballet. By concentrating on those artists who fashioned a particular style of modern dance or epitomized a high point in dance development, this book creates a lively history of American dance itself.

Customer Reviews

Joseph H. Mazo was a dance and theater critic who reviewed for Dance Magazine, The New York Times, Town & Country, and other magazines.

Mazo is a writer's writer who has broad appeal across dance generations. My students loved his book and remained engaged with it throughout the semester.

Love

Got it for class. Good.

Product was shipped promptly and arrived in a timely manner. Condition was just as advertised.

Thanks for your speedy service.
