"My friend and mentor, Dr. Gene Getz, has laid a foundation for biblical manhood that any male can use to build the superstructure of a solid life."--Tony Evans, president, The Urban Alternative; senior pastor, Oak Cliff Bible Fellowship "It strikes me that

it would take either a colossal ego or deep humility to write a book subtitled 'Twenty Attributes of a Godly Man.' For nearly fifty years, Gene Getz has been my respected mentor, stellar example, treasured colleague, and beloved friend. Humility has always been his hallmark."--Jerry B. Jenkins, novelist and biographer; founder, The Jerry Jenkins Writers Guild "Occasionally a book stands out among the mass of published literature as a 'must-read' and, in fact, a book that you know you will want to read again. Such is the case with The Measure of a Man."--Joseph M. Stowell, president, Cornerstone University, Grand Rapids, Michigan

A group of men at my church did a 10 week study of Dr Getz Twenty Attributes of a Godly Man, it was awesome. We read two chapters each and on Sunday evenings we got together for a couple of hours to discuss what we had read and learned from that weeks reading. I do recommend this book to everyone weather you do it as a group study or individually, personally I loved the feedback of others as we progressed through the book.

Excellent book for every Christian man who's dedicated to maturing as a Godly man. It offers specific guidelines for growth and is very helpful for identifying areas where growth is needed. This book is great for group study by men's groups in the Church.

It is a great book. It is very inspirational but also very frank. Makes you uncomfortable and really challenges you. God gave Getz the message

I bought this for my sons and sons-in-laws. I accidentally posted that I had bought the Measure of a Woman for them, but I bought that one for my daughters.

A must for a man who is serious about leadership and more importantly becoming more like Christ

The QR codes embedded into the new revision are GREAT. They lead to short videos for advice and encouragement.

Great read. Gave it to several young men to read as well.

a must read for elders
