# Charmed And Dangerous

## Synopsis

Happy New Clique! Once upon a time, in Westchester and Orlando, there were four betas just waiting for their alpha. It took a miracle to bring the Pretty Committee together-or rather, one miraculous-and fabulous-New Year's Eve party. Massie Block: Is destined to lead, but trapped as a beta in the Ahnnabees, the top clique at PMS (Presbyterian Middle School). When will it be her time to rule? Alicia Rivera: Is dying to lead the Body Alive Dance Studio Squad, but when disaster strikes, will she prove herself alpha-worthy-or will she need to find a whole new clique? Dylan Marvil: Is done, done, and done with people kissing her teeny butt just because her mom is famous. But who would be brave enough to stand up to someone so Marvilous? Kristen Gregory: Has made a New Year's resolution to make friends and get a life. Escape from Planet Loser starts...now! Claire Lyons: Is psyched times ten to win a last-minute invitation to the New Year's Eve satellite party in Orlando. But first she'll need to sneak out of the house. And the countdown to midnight begins in ten...nine...eight...

## Customer Reviews

Lisi Harrison is the author of The Clique, Alphas and Monster High series. She was the Senior Director of Production Development at MTV and Head Writer for MTV Production. Lisi is currently pretending to write her next novel. Lisi lives in Laguna Beach, California.

This is a pretty interesting book. But some things are baffling. Like how important money is to these girls. Honestly, I can see some of this things happen in real life, which makes it interesting; but the importance of money and the way some of the girls speak kind of ruins the book. But overall it is an interesting book and worth reading.

I have bought all the Clique books on , they come in GREAT shape! Even the "used books" haven't been opened! My daughter loves reading these books and this is surely the place to get them!

When I heard of this book I was very excited to buy it. I opened this book and found all of the rich-girl glamour that I loved about the original series. I loved the charm theme and the punny title but I raised my eyebrow at a few small details. Number one was the girls age. Apparently they are in fourth grade and still at OCD. The second is the setting. The whole book centers around News Years Eve. It would have been nice to see more of the Pretty Committee's early days, such as taking over OCD or their first friday night sleepover. However, the whole thing is tied together nicely, and there is no visible out of order off details. Out of Ten I give a 9. Enjoy Reading!

I read this book a while back but it's until now that I decide to write a review for it. Let me just say that this book is half good and half bad. Let me show you why:GOOD POINTS:-The writing is really good. The author has a flow with the words that makes it an easy and interesting read.-Even though the plot was kinda cliché, I think that the events were interesting for the resolution that the author wanted.-(may be a spoiler) Claire's plan made me laugh and Kristen's secret surprised me.-The PC members do act as if everything was centered around Massie...which in my opinion, they should, since Massie is their "alpha" and could kick them out of the group anytime they want too.BAD POINTS:-Idiotic and cliché idea. When haven't I read books about the good girl moving to town trying to get into the mean girl's clique? However, Claire moving in with Massie changes it a bit.-Some of the thoughts and dialogues are so dumb, I can't even...-I've been in private schools with snobby girls, and if I walked in with Keds I wouldn't be considered an "LBR".-What's up with all the "ehmagawds" and "LBR" stuff? I know that the girls are supposed to talk like that, but when I try to pronounce them aloud it just makes me laugh.-The characters...I found myself disliking the main ones. Claire is too...I don't know, she seems whiny to me. And Massie, well, I kinda like her and kinda not.Overall, this book is good but bad at the same time. However, young kids can read this as long as they have in mind that they should not act like this if they don't want to ridicule themselves.

gift

It was a gift and my friend loves it!

The Clique is pretty good. It was an entertaining read, but the characters were shallow. Its ridiculous how much they care about their shoes! Additionally, the characters were stereotypes. I mean, the rich kids who are snobby and brats and have everything, and then the sweet, naive poor girl. The reason I gave it four stars was because it was an entertaining read and the writing was pretty good.

My 13 year old loves this series.
