Mad Libs is the world-famous word game that has been delighting fans of all ages since its invention in the 1950s by Roger Price and Leonard Stern. Fill in the blanks of a Mad Libs with any words you choose, and become the author of your own story!

I bought this for my 12 year old daughter's birthday to go along with her books. She loves Adventure Time and I figured this would be a good laugh. She loved it! Her friends all gathered around and they made up silly stories. The first time, they say around for two hours and you could hear all the girls howling with laughter. This is a good buy and they get a nice refresher on English terms such as adjective, nouns, verbs, etc. A+.

Bought this for my 8 year old niece and we had a blast doing them.

My daughter is having a blast filling this out! The stories are very cute!

I remember doing this with a friend and thought I'd like a copy to do some with more friends greatly enough it's a success!

Pure fun
