Ray Lampe's Big Green Egg Cookbook: Grill, Smoke, Bake & Roast

Synopsis

Bestselling Big Green Egg Spokeschef Ray "Dr. BBQ" Lampe has written a book specifically for EGGheads packed with more than 80 great recipes for grilling, smoking, roasting, and baking on the world's top-selling kamado-style cooker. Both Ray and Big Green Egg have come a long way in their 15 year relationship and it's been a wild ride! Next up is the chapter all EGGheads have been waiting for, How does Dr. BBQ set his EGG up to cook all the things he's cooked in his 30 year BBQ and grilling career? All the tips and tricks are here in the chapter called The EGG Carton. Then the book gets serious about recipes with chapters covering all the diverse things that the EGG can do. Dr. BBQ puts his spin on Grilling with great recipes like Crispy Lobster Quesadilla and the Bacon and Egg Cheeseburgers. Smoking is next with Dr. BBQ firing up classics like Dry Rubbed St. Louis Style Ribs and new ideas like Dr. BBQ's Smoked Meatball Gumbo. Baking is where you'll learn how to make Dr. BBQ's favorite Thin Crust Pizza With Italian Sausage, Summertime Zucchini Pie, and Blueberry French Toast Casserole. Last but not least is Roasting where Dr. BBQ knocks it out of the park with a Porchetta Style Pork Roast and Happy Thanksgiving Turkey. ã

Ray Lampe a.k.a. Dr. BBQ grew up in Chicago and spent the first 25 years of his adult life in the family trucking business. In 2000 that all changed when he moved to Florida and began his career as an outdoor cooking expert. These days Ray spends his time writing and traveling all in pursuit of

excellent grilled and smoked food. He's written 8 books, he's the national spokesman for The Big Green Egg and in 2014 he was inducted into the BBQ Hall Of Fame.

This cookbook is another hit. Personally read all the reviews and I have to say this is a cook book, not a how too book. Well it does show you how to cook great food. Trust me I have eaten enough of Ray's cooking to say it's always great. When people ask me what can you cook on a BGE my response is always the same "Anything you can cook in your oven only it will be better". The recipes in this book only proves that. Recipes within this book will be good from an oven, but they will be great cooked in a BGE. Don't be afraid to give this book a chance, you will not regret it.

Love this book and its has some wonderful menus

So far it seems simple for people to use and well laid out without overwhelming people with information. I have not finished going through the book yet, but i look forward to trying some of his recipes on my Big Green Eggs soon. I have enjoyed Ray Lampe's other BBQ books very much and this looks to be a great addition to my cook book library
