Steve Metzger is the bestselling author of over sixty children's books, including the Dinofours series, WHEN THE LEAF BLEW IN, and FIVE LITTLE SHARKS SWIMMING IN THE SEA. Steve lives in New York with his family.

I originally purchased this book for the season. It later found out. Not only does it have an awesome rhythm but also teaches a few names of trees. What a fun book to act out!

This story is not as imaginative as I hoped. Yes, it follows the classic "We're going on a bear hunt" synopsis, but I was hoping that it would slightly vary from that. Still, it is a cute story and my 4yr old likes it.

I bought this because my daughter absolutely loves "We're Going on a Bear Hunt", but this book is lacking in excitement. I would not recommend this book, but I do recommend the bear hunt!

Cute book a great for call and response in class.

Such a fun book! It's fun to see if your kids remember how the rhyme goes as the story goes on. My four year old loves this book- it's one of her favorites from this past fall.

Lots of repetition...my 2 year olds can predict the story after a few days of reading this book. It is now of their favorite seasonal books.

Nice book with all the different types of leaves. Didn't keep my 4 year old's attention, though.

Excellent it was delivered right when i was supposed to receive it.
