[...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!" • Customer Review "Written in a very simple way but with a profound message for both adults and kids." • Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" •ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves whatever their size." •ForeWord Clarion Reviews Tags: Bilingual Children's Books, Bilingual Books, Emergent Bilingual, Bilingual Education, Foreign Language Learning, ESL, English as a Second Language, ESL for Children, ESL for Kids, ESL Teaching Materials, EFL, English as a Foreign Language, EFL Books, EFL for Children, ELL, English Language Learner, EAL, English as an Additional Language, Children's Picture Book, Dual Language, Foreign Language Study, ESOL, English for Speakers of Other Languages

Am I small? is the world's first World Children's Book - available for every country on earth in at least one official language.

This book is cute, but it's super short. It's a dual language book, yes, but not what I was expecting. I thought I'd get something like other dual language books: one side English, the other side the foreign language. Not in this case, most of the focus is on the pictures, great for kids but as an adult looking to learn Danish this is not really helpful (that's not what it's for though, so...). Inside you'll find lovely illustrations and then a short sentence in Danish with the English underneath it. Each page has one short (one line sentence) on it.

I bought this book because I am teaching myself Danish. The book is so cute. The story reminds me of the old children's story "Are You My Mother?". The illustrations are endearing. Overall an excellent book, even translated to Kindle version.

Easy way to add Danish vocabulary.

Used as gift(s) for friends with grandchildren..cute.

Nice little story, but the script is too redundant to be even a little instructional.
