The AA Guide To Cotswolds

Synopsis

The AA's flagship British and Irish guide series brings together the best of each region and some lesser-known gems. No one knows travel like the AA; we've been producing guides for more than 50 years. Unlike other guides, the AA's guides offer a fresh way to discover Britain and Ireland by combining our decades of expert knowledge with a clear, contemporary design and engaging commentary; a modern guide for the digital age. We've focused on just the things we think our readers want; great places to eat and drink, award-winning restaurants, and attractions to visit. We don't just tell you what's there; we'll give you the inside story so you can decide whether it's for you. With town plans, an easily navigable gazetteer, the top things you need to know and the places you need to see, the AA Guides are all you need to discover Britain and Ireland on the go.
