Augusta Stevenson was a writer of children's books and a teacher. She wrote several Childhood of Famous Americans titles, including books about George Washington, Abraham Lincoln, Paul Revere, Sitting Bull, Benjamin Franklin, and Molly Pitcher.

I ordered this for our homeschool classroom, it goes with our literature curriculum called Learning Language Arts Through Literature. It was easy and fun to read. Perfect condition and shipped well.

Fabulous book! Wonderful character lessons for both child and parent. We homeschool and have used it for our Wright brothers unit. It's been a phenomenal book and I would highly recommend it to any parent or child. Just wonderful!
