This is a cute book, and well made. I bought it as a Christmas present, and although the pages are not at all for kids, it was still a big hit. If you are looking for a true first alphabet book, this is not what you are looking for. If you are looking for a fun baby gift for a Cowboys fan, however, this is a perfect idea.

Used this as a baby shower gift for my aunt and uncle who are huge Pats fans, they loved it! It is small, but a good size for baby and the pictures and words inside aren't affected by the book size.

My 17 month old is still not into books, but when he is, he'll love this one. My wife is a Cowboys fan; I'm trying to sway him to be a Pats fan, and this book should help. Lots of words and pictures for learning.

Cute cute book to give as a baby gift for a Cowboys fan (which is what I did). Not your normal alphabet book for word choices for the letters but can't expect that with a NFL based theme. None the less, I think its cute, the recipient LOVED it and I'm sure the baby will too!

It's a cute book for your children. Couple things, there is a typo on one of the last pages(a misspelled word). Also I wish it had like for the letter B, B is for Brady. But it sticks to generic football things for all the letters.

This was a gift for a 3 year old and even though it might be just a year or two more advanced, it is still great because the colors are bold and keeps the child's attention. Definitely a cute gift to give to a sports family who has a little one.

Great book about the best football franchise in th game. I wish they would have celebrated the GB v bears rivalry. But a great book. Keep in mind it is never too young to start training the kinds to be fans.

if you are a Giants Fan and have a new baby grandson GET THIS BOOK- great sturdy quality and wonderful price and adorable as heck- even though his father is an eagles fan He loved it as well
