Pocket Guide To APA Style

Synopsis

The POCKET GUIDE TO APA STYLE, 5E is an essential tool for writing research papers across the disciplines. Concise and thorough, the POCKET GUIDE offers straightforward explanations, annotated examples, and margin notes designed to help writers produce properly documented papers in the latest APA style. Not only less expensive and easier to use than the APA Manual, the POCKET GUIDE also includes extensive coverage of electronic sources, preparing writers to evaluate and use Internet references correctly in their research.

Customer Reviews

The POCKET GUIDE TO APA STYLE is "a compact, essential tool that is incredibly helpful for a wide range of diverse students." "I would describe the POCKET GUIDE TO APA STYLE as 'a must' for any student who is required to do research papers and presentations."

Robert Perrin (Ph.D., University of Illinois -- Champaign/Urbana) is Chairperson of the Department of English at Indiana State University; he previously served as Director of Writing Programs for 17 years. He has won the university's Caleb Mills Award for distinguished teaching and the Theodore Dreiser Award for distinguished research, as well as the College of Arts and Sciences' Distinguished Professor award. He has published numerous articles on composition and teaching as well as seven textbooks and research guides, including THE BEACON HANDBOOK (six editions) and HANDBOOK FOR COLLEGE RESEARCH (four editions).

helped me through class

I like this little pocket guide to the APA style. It doesn't have a gazillion pages like an official one would and doesn't cost an arm and a leg if you buy it used. It gives you what you need in a pinch! I have used it a lot when writing papers for school and need to cite references. This shows me how to do it right for books, journal articles, magazines, websites, etc. This little guide is money well spent whether you buy it used or new.

OK in a pinch.

Great for my college APA papers, I am a student and this works great

No issues

I had the previous version of this little handbook, just got this updated version, and I swear by it. As a University instructor, I always recommend it to my graduate students, and those who bother to get it find APA much easier. Sure beats digging through the big blue book! Easy to find everything I need, great examples.

It's a perfect fit in my purse guide, I often need as an educator at all times!! Excellent work!!! Very happy!!

For me this product was an evil necessity. As a student in a Masters program that requires APA formatting of all submitted work, this little book has been everything I need to know about APA in one clearly outlined and well organized reference. The spiral binding is a plus and a feature that I wish more reference books would have. The Pocket Guide to APA Style is not something that would I normally purchase but with high grades in my Masters program being a priority, it is a product I would not dream of being without!
