# "Fundamentalism" And The Word Of God

## Synopsis

This modern classic by the author of *Knowing God* provides a comprehensive statement of the doctrine of Scripture from an evangelical perspective. J. I. Packer explores the meaning of the word "fundamentalism" and offers a clear and well-reasoned argument for the authority of the Bible and its proper role in the Christian life.

## Customer Reviews

This is one of Packer's most important book, from my point of view. If the Bible is not our utmost authority, we can only share opinions! I gave this 4 stars because I was a little disappointed by the condition of the book I received. It was more used than I expected. Can't remember the rating so this may be all my fault?

There's not much that J. I. Packer writes that isn't worth taking the time to read. His arguments are sound and well-written, and his thinking bears emulation. His works on reformed thinking and evangelism are seminal. This particular work is focused specifically on so-called fundamentalist thinking and the evangelical position on Scripture. It's well-written, and his chapter on Authority in particular is spectacular. However, the book is largely contextual, set against the emergence of "anti-fundamentalism thought" in Britain in the 40s and 50s. This makes much of the argument in the book dated, and if you're not familiar with thought in the mid-20th century, or at a minimum, the issues surrounding conservative and liberal positions regarding the authority and inspiration of

Scripture, it's easy to get lost. Still, this is a good work, again, worth the price for the writing on authority and Scripture's view of itself.

Solid scholarship that gives an inspiring illumination of the way Jesus and the church recognized and used the OT as Scripture, as the Word of God. In the same way the message of the gospel became to be recognized in the NT as the complimentary authoritative Word of God as Scripture. What God says, Scripture says. What Scriptures says, God says.

Excellent work from one who needs no introduction that is still relevant and powerful for the church today. This is a must read for all current and aspiring pastors.

I enjoy J I Packer's books. Reading this early work gives insight into his future works. Wonderful book!

Great book, good argument and history of what was going on.

Great! Thanks!

Timeless Godly Truth's.
