Customer Reviews

Amazing buy, paid less than \$20 for the retail of \$49.99. Two hardcover books and a Jackal flag made of nylon weave with two metal ring holes for being raised as a flag. The yellow binding paper also has a redeem code for the ebook version of the guide. Full of colorful wallpaper images in both books. One hardcover is behind the scenes with the studio and interviews with the developers. The

other hardcover is a walk through guide of the game, multiplayer, and gun marksmanship. For the price I paid, this was an awesome buy.
