Roughly translated into English as "Leave Luck to Heaven," the Japanese company Nintendo is the world's largest and most influential video game company. In 1985, Nintendo revolutionized the video game industry with its introduction of the Nintendo Entertainment System game and the Super Mario Brothers game. Nintendo continues to transform the video game industry through its design and product innovations.

This is the perfect wall size. I love the art in it, and it says which game it comes from. It features a character at the bottom of the month too. It's made of quality paper and printed very crisp. I couldn't be happier with it!

I have bought this calendar from 2013 (that's five years!) and I've never been dissatisfied. All calendars have great wallpapers from some of the greatest Zelda titles. It's beautiful and made with shiny thick paper. (Can't wait to buy next year's featuring *Breath of the Wild*!)

What needs to be said? If you like Zelda then why hesitate? Something that great about this other

than Zelda is, the material is strong, it doesn't rip, unless you intentionally rip it of course. The images on throughout the calendar are perfect. Like I said if you like Zelda, get it. It is worth it.

Purchased for grandson as a gift. He was very happy with it. He'd like to put some of the pictures up after the month passes, so that to me is a plus. I'm not familiar with the artwork of Zelda and when I saw the calendar myself I had reservations about their quality but he liked them right away and he can be picky. Everyone likes it when they hit the mark buying a gift for someone else. We buy quite a lot of Nintendo things and this was a good purchase.

Great product, I really love this series in particular so when i saw that they had a calendar for the new year I just had to have it. Im very impressed by the quality of the drawings and definitely recommend this to anyone who is a fan of the series

Excellent quality and excellent calendar, I'm collecting this since 2014 and every year is a nice detail for Zelda lovers

its a wonderful calendar, every image is as advertised and it doesnt look pixelated or anything. very pretty. ive been using it since january and i love it.

This thing is gorgeous, and has a good deal of image variety from throughout the different games in the series. It's a bright spot in my cubicle, for sure.
