great as a best-man gift to give the groom in front of everyone attending

Something for your nosy guests.

So apparently this isn't appropriate for Christmas, therefore I held onto it and it's now on my coffee table. I don't have a penis, however those that do seem to really enjoy it.

Best gift idea I've ever had. I bought three.

Hilarious gift for one of my co-workers he showed it to everyone and read it with his wife and showed his family!!! So funny.

Funny tongue in cheek humor about living with OMG (oversized male genitalia).

I was contemplating the worst before reading this uplifting tome from Dr. Jacob, one of the great scholars of our time. Now I'm happily married after learning to cope and live with my condition in a healthy manner.

Hilarious book and a real conversation starter
