Customer Reviews

Stephen Johnston, has been narrating and producing television, radio and audio Bible products since 1981. In the past three decades, over 100 million cassettes, CDs and DVDs of his narrations and productions have been sold worldwide. Awards for his narrations include the Emmy, New York Film Critics Award, the Thomas Jefferson Award from the Freedoms Foundation of Valley Forge, the National Silver Microphone Award, and the Army Commendation Medal for work in the American Forces Radio and Television Service while in Army.

He does not read too fast, but his phrasing in Genesis is absolutely terrible - it's almost as though

he doesn't know what the words mean! He gets better through the first few books of the OT and is fine by the time he gets to Joshua. I like his voice. The audio editing changes the tone of his voice from sentence to sentence and sometimes paragraph to paragraph, but I think that helps retain what he is saying because it all doesn't mush together. So, for me, 5 Stars from Joshua on + 1 Star for Genesis in particular = 3 Stars overall.

I love the Word of God and the New King James Version. I read the reviews and researched this product before purchasing. I'm used to "Scourby" which I've listened to for about 10 years, but it was KJV and I wanted NKJV. I purchased this product about 2 weeks ago and I am very disappointed. This narrator, Stephen Johnston, reads too fast, and doesn't pause appropriately, in spite of his great reputation. It sounds kind of like an electronic voice. (I like English accents like McPhee, but he doesn't have NKJV.) I'm really disappointed with this purchase and am praying God will help me to like his voice and not be irritated by it, since I just spent close to \$80 on it.

I feel the quality could be better, today there are so many ways to make a great audio recording, sometimes they seem a little low in quality

New King James Version Audio Bible, Voice Only I was very pleased with this product. I prefer listening to a "voice only" version. The background music can be distracting. I love this man's voice. He speaks clearly and is very easy to listen to. I would recommend this to anyone who is looking for the Bible on disc. Very convenient to have in a vehicle, at the gym while on the treadmill or at home to listen to. It also comes in a very nice carrying case.

This audio Bible is very easy to listen to and is read in a manner that engages the listener. I am very pleased with my purchase.

It's a very good audio of the Bible. I like the NKJV and the voice was very clear & easy to listen to.

Excellent. I enjoy listening on my daily drive to work.

I purchased these Bible audio tapes for my parents who are both having difficulty with reading because of eyesight problems. They have enjoyed listening to these tapes so much. The narrator, Stephen Johnston, has a very pleasing voice and is easy to understand. I highly recommend these

tapes to anyone.
