Nice for Christmas decorating ideas.

I love Christmas sometimes it's hard to decorate. this book has giving me so many ideas for this year.can't wait to get started

This book doesn't offer much for what I was looking for, but there are a couple of things I'll be taking out of here. I definitely want to try that thick, Viennese hot chocolate, and I like the idea of spray painting little clay pots to use as candleholders. The photos are decent, and the presentations are nice, it's just not quite what I was looking for. Maybe others will feel differently - it's all in what your taste is.

I loved the book

nice book love to recycle.....and it's a very nice price for a hard cover book...

this book gives many good ideas for decorating for Christmas. it is full of beautiful pictures, it is just beautiful and helpful for the holiday.

Did not enjoy this book as much as other Christmas books I have purchased. Would have liked to have seen more rooms decorated for Christmas. This book did not have what I expected.

I found a few homey ideas but mostly enjoyed looking at the pictures and makes a pretty coffee table book. But did arrive as advertised quickly.
