Customer Reviews

Refreshingly sweet and honest. Jeanette Oke always provides a wonderful story without the burden of intimate details of pure love. I thoroughly enjoyed this series. I watched the 2 seasons of Canadian West. Left me wanting more! I immediately downloaded the ongoing story of the couple's love story. I was so pleased to read about the handsome Mountie and lovely school teacher after

they married, as they traveled to each of his new assignments.

I chose a 5 star rating for this book because in my opinion it deserves 5 stars. It is very interesting. It's not the run of the mill romance. Each book I've read written by Janette Oke have held my interest. There's the usual turns and twists that can be expected in everyday life. The difference is that in a Janette Oke book, the characters take their troubles in prayer to God Almighty, creator of heaven and earth and all that is in them. Books written by Janette Oke are certainly for the Christian to read.

This book is full of excitement, hopes, dreams, fears, sadness - it has it all - super good book!

I love Janette Oke's writing. It's hard to put her books down once you start reading. I so enjoy this period literature and that God is a part of everyday life in her stories!

If you haven't started reading this series, I would like to encourage you to do so! The author brings to life every word. Furthermore, I enjoy reading Godly content . Hearing of the salvation offered by Christ is always heart moving!

love it

gave it a so so rating. Not near as good as the others.

Well worth the read. Well written and fun to see where faith leads each character.
