## Customer Reviews

Gave us the help we need to pass the test.

Excellent!

Barron's has been writing these review books for as long as I can remember. This particular one was purchased for my 10th grade son. I myself used these Barron's review books to study for my own regents in high school 30 years ago. And so it goes.... Definitely a good purchase!

this book is great..it is very useful for anybody who wants to get prepared for Italian language exam..it got a huge useful vocabulary list.
