Mark Baker is a long-time American expat who lives in Prague. He's one of the original editors of The Prague Post and was for years a correspondent and editor for Radio Free Europe/Radio Liberty, based in Prague. He's now a freelance writer and reporter. He's the author of Frommer's Prague Day by Day, and coauthor of Frommer's Eastern Europe and Frommer's Poland.

Although Rick Steves is my first choice in tour books, I like the shopping and eating suggestions in Frommer's. a good investment for a travel book.

It was a great price and had great information to help with my possible upcoming trip. A great buy.

Great Book! Must have for traveling to Prague!

Frommer is usually my favorite. This guide came in handy for helping pick sights, restaurants and advice on areas. It really missed some of the top 5 star hotels at the best locations and prices.

As a person born in Prague I can say this is a very useful, knowledgeable and concise guidebook. I totally agreed with the authors' suggestions and I recommend it wholeheartedly.

A quick read! Almost all of the strategies I already employ. For the novice, a very clear and well written guide book with essential examples

These books are always handy for the traveler, esp those without data access on their phone. It was a gift so hopefully it will be useful.
