The Pescatarian Cookbook: 18 Simple Seafood Recipes For Pescetarians

Synopsis

The Pescatarian Cookbook is the only cookbook you need to spice up your seafood diet. If you're a pescatarian or even if you just like seafood, this recipe book is for you. The Pescatarian diet is simple to follow and has tons of delicious recipes! Hello, my name is William Walker. I am a passionate writer and also a long time Pescatarian. I enjoy many different sustainable seafood dishes on a regular basis, and over the past few years I have been compiling the best seafood dishes I've come across. Some of them I even created myself! These are all seafood recipes that I stand behind, and can guarantee that if you like seafood, you too will find them delicious!

Customer Reviews

I've recently been debating giving up red meat or not. I looked into different vegetarian and pescatarian diets and cookbooks and I hadn't found anything that made me think that I should do this. I finally found this cookbook and the 18 recipes had me thinking differently. They're simple and look so delicious. I plan on trying a few more and making my transition away from red meat.

good ideas for seafood dinner and side dishes

Well worth the money...easy no hassle recipes !

Lemme check it out 1st then ask me later. I hope it's good. Really need more words :(a lil
