Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We have used all of these praise song books at church so far for our praise band and I have never been disappointed! We do have to transpose a lot of them to get within the range that our lead singers as well as congregation feels comfortable. We take them down anywhere btwn a whole to 2 1/2 steps, but it's easy enough to do with a keyboard that has a transpose button and writing in the new chords for our bass and guitarist. I keep finding songs in this book that I've not heard, yet LOVE! Thank you!

the collection is good.has a number of new songs together with the old ones included in the former volumes. it's a big help in church

Great book. Easy read for sight reading at church.

I have a earlier book in this series and was delighted to find a new volume that had been issued.
