The Doubt Factory

Synopsis

In this page-turning contemporary thriller, National Book Award Finalist, Printz Award winner, and New York Times bestselling author Paolo Bacigalupi explores the timely issue of how public information is distorted for monetary gain, and how those who exploit it must be stopped. Everything Alix knows about her life is a lie. At least that's what a mysterious young man who's stalking her keeps saying. But then she begins investigating the disturbing claims he makes against her father. Could her dad really be at the helm of a firm that distorts the truth and covers up wrongdoing by hugely profitable corporations that have allowed innocent victims to die? Is it possible that her father is the bad guy, and that the undeniably alluring criminal who calls himself Moses--and his radical band of teen activists--is right? Alix has to make a choice, and time is running out, but can she truly risk everything and blow the whistle on the man who loves her and raised her?

Customer Reviews

Gr 9 Up •Alix Banks lives a cushy life in a rich, mostly white, Connecticut suburb. She attends a prestigious private high school, is loved by her parents, and gets along with her ADHD younger brother. Her privileged world is shattered when her school is attacked by the enigmatic renegade 2.0, who appears to be stalking her. Alix's father is well connected, and soon the house is swarming with security professionals, including Alix's own personal bodyguard. But that doesn't protect her from a terrifying encounter with 2.0, whose real name is Moses Cruz, and the other members of his multicultural band of teen rebels. Moses tells Alix that her father's company, Banks Strategy Partners•otherwise known as the Doubt Factory•was the lead defense consultant for several major corporations that produced faulty drugs and other products that caused countless people to die. Alix's love for her father conflicts with her growing anxiety that Moses may be telling the truth. Is her devoted dad really a killer? Uncertainty causes Alix to do some investigating on her own and forces her to make a fateful decision. Bacigalupi's characters are clearly drawn and believable. This gripping, outstanding contemporary story cites actual cases of corporate greed, which adds realism to the plot. Suspense builds at a steady pace, leading to increasingly dramatic plot twists and a climax that will leave readers' hearts pounding. Some swearing and mention of drugs and sex make this suitable for older readers. •Martha Simpson, Stratford Library Association, CT

Praise for The Doubt Factory:
A 2015 Edgar Award Nominee
A 2015 Locus Award Nominee
A Winter 2014-2015 Kids' Indie Next List Book* "[A] provocative thriller.... Fans of Cory Doctorow's work

should love this book."Ã¢â€šâ€¢ Publishers Weekly, starred review* "From the opening pages, this is an action-packed thriller with the FBI, secret service, thousands of rats, a kidnapping, and a little romance.... Bacigalupi scores again."Ã¢â€šâ€¢ Library Media Connection, starred review
