Customer Reviews

I really wanted to have a travel sized havamal in lieu of carrying around the entire Poetic Edda, as I wanted to spend more time going through the verses. This is the perfect size, and can fit in a shirt or pant pocket. The printing is very nicely done and I love the cover. Just what I was looking for and for a great price!

The transition is awkward at best.. yes it's all there including odina rune poem. That's all well and good but much of it seems disjointed and hobbled together..and the grammar.... no just freaking no
