Ethiopia Highlights (Bradt Travel Guide Ethiopia Highlights)

Synopsis

The only stand-alone guide to Ethiopia's top visitor attractions, Ethiopia Highlights condenses Philip Briggs's extensive knowledge into a concise handbook for short stay visitors. Top sites include the world's tallest monolithic stelae at Axum, the 2,500-year-old ruined temple at Yeha, the mystical and mediaeval rock-carved churches of Lalibela, the decorously painted monasteries of Lake Tana, and the Camelot-like castles of Gondar. Featuring full-color photos throughout, this book serves equally as a holiday planner and a travel companion.

Customer Reviews

'[Philip Briggs] is clearly not only an expert on travel in Africa but also someone who cares deeply about the countries he is visiting.' Traveller Magazine

Philip Briggs is the author of 12 Bradt guides, and arguably the most highly-respected guidebook writer on the region.

An excellent guide for the first time visitor to the fascinating country of Ethiopia.

It's hard to find current info in more remote parts of our planet. This did a pretty good job, because it was recently off the press.
