The Witch Who Was Afraid Of Witches (I Can Read Level 4)

Synopsis

A bewitching tale for beginning readers, the perfect *“An early chapter book”* story for Halloween! Wendy is a little witch who is afraid of her mean, bossy witch sisters *“until one special Halloween night when she makes a magical discovery: Wendy’s sisters can fly fast, cackle loudly, and cast spells, but Wendy can fly even faster. Can she find a way to out-witch her sisters?”* In this I Can Read Level 4 paperback *“complete with full-color art and short chapters”* Alice Low has adapted her popular story specifically for readers bridging to chapter books.

Grade Level: 3 - 4

Customer Reviews

Grade 1-3-Wendy, a young witch, is told by her older sisters that she can’t cackle well or cast strong spells. When she loses her broomstick, they refuse to take her along on Halloween night. Later, when a trick-or-treater knocks on her door, he convinces her to join him. Roger and his mother give Wendy their old kitchen broomstick and she realizes that she does have witch magic, after all. She uses her newfound abilities to take revenge on two boys who exclude Roger from their Halloween fun, scaring them so badly that they run away crying. She also casts spells on her sisters so they fall

out of the sky and have to walk home. Children may deduce from this story that it's okay to take revenge on unsuspecting people. Though Wendy does eventually restore her sisters' powers, she never apologizes to them. The illustrations reflect the action of the story but don't enhance it. A secondary purchase at best. Laura Santoro, Coventry Library, Cleveland Heights, OH Copyright 1999 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

Adapted from Low's story, first published in 1978, this I Can Read Chapter Book will appeal because of its subject matter and nonthreatening watercolor illustrations. Readers will root for Wendy, the youngest of three witch sisters, who fears her more powerful older sisters and underappreciates her own witchcraft. On Halloween night, abandoned by her callous sisters, Wendy meets Roger, a neighborhood boy, who gives her a new broomstick and then admires her considerable witching skills. Along the way, she builds confidence and a friendship, learning the real strength of her own power and personality. As readers expect, Wendy's older sisters get taught a lesson, too. Kathy Broderick --This text refers to an out of print or unavailable edition of this title.

We are almost done with this book and it is great. I didn't realize it was a chapter book. It has a good combination of easy and tough words and a good storyline that my 5 year old can follow.

I purchased this as a gift for my niece and she loves it!!! :)

My daughter was so happy to see this on her desk when she got home from school. She loves to read and these step in to reading books have helped her tremendously.

This is a cute Halloween story about a little sister in a family of witches.

Bought this for my granddaughter who read the book aloud to me. It was a cute story - of course, with a lesson to teach.

Fun and interesting artwork illustrating a lighthearted story.

My niece loved this book. Read it over & over & over again

Very cute story, mu daughter loves to read it!
