“A quirky little tome.” —Associated Press “These charming aphorisms will make you the hit of the party.” —RadarOnline.com “Old Man Drinks is a book about the simple, timeless aspects of masculine drinking culture along with simple, timeless, masculine drink recipes.” —MadeMan.com

Robert Schnakenberg is the author of several nonfiction books. His favorite Old Man Drinks include the Gimlet, the Cuba Libre, and the Gin and Tonic.

This was a gift for my brother who is technically 30 years old, but in many ways acts like a 60 year old. Needless to say, he loves this book.

Got this for my hubby for Christmas! The drinks are pretty basic, maybe even classics. There are lot's of sayings and photos in black and white that really make reading this fun. A great item to have on your bar while preparing your friends their favorite drinks! Makes a unique gift !

We bought this for a friend for Christmas who is only 30, but has always been sort of an "old soul". He likes smoking a pipe and drinking bourbon... so we thought this was a perfect gift! He really got a kick out of it and loved it. We thumbed through a lot of it before wrapping it and liked the book a lot. We might even get one for ourselves. My husband discovered he really likes an Old Fashioned drink from this book!

I love this book. If you're a REAL cocktail drinker, that likes the taste of alcohol (aka, not Cosmos), then this book is for you. Some classic ones, and some I hadn't heard of. But all of them are very good. Highly recommended.

It's a short book on drinks of a simpler time. It strikes a cord with the blue collar workers and men of simple tastes, or those that want to get away from the over complicated cocktails of today's fashion. It's a easy read with words of wisdom easily fixed to any man's life. About 70 recipes in all

Boyfriend loved the book, we've tried a few and enjoy the recipes. Thanks

This book was purchased as a gift. It was very well received! Very funny and entertaining.

The recipes are good, but I also enjoyed the little segues with "real old" men. A very pleasant read, though I'd hesitate to adopt much of the "wisdom" contained therein. :-)
