Our 4 year old Son loves them and has enjoyed them every day since they arrived a few weeks ago!

I bought this for my nephew's 5th birthday. He absolutely loves them! The books have really sparked his love of reading.

Great bed time reading for my 4 year old who is crazy about Transformers.

This is the current bedtime reading for my two boys, 5 and 3. There are six books in the set, featuring Optimus Prime, Chase, Heatwave, Boulder, Blades, and High Tide. There is a mysterious yellow bot head on the cover of each book, but this bot does not appear in any of the books. Each story is long enough to satisfy my boys without being too long. We enjoy pointing out the inconsistencies and oddities.
