Diary Of A Wimpy Villager Book 1: (Unofficial Minecraft Diary Books)

Synopsis

Uncover the hidden secrets of the Village...The Village has never been quite safe. Zombies, Creepers, Witches, Skeletons, and tons of other little bad guys are always crawling around. But lately, things have gotten worse. Much worse...This story follows the tale of a young villager, who is struggling to handle all of the different things that have been going on lately within the Village. This is the first book of the Unofficial Minecraft Diary Series, by Kwick Reeds. Stay tuned for his upcoming books!Disclaimer: This book is not official. Customer Reviews

This is a really cute book. The story is told from the vantage point of a librarian in a Minecraft village, and it is really cute and funny as well as a dramatic tale told from this "wimpy villager" point of view. The story focuses on the librarian's perspective in the town, and how the town changes as a

new visitor comes to town. The new visitor is mysterious, and no one knows what to make of him. Strange things happen, and the librarian is trusted to research the mysterious visitor through all the books at the library. Would be a really great read for anyone who likes Minecraft. Adults would enjoy it, and it is simply written enough that younger kids who are into Minecraft would be able to read it themselves, or get a kick out of having it read to them. Could be a great bedtime story for the youngest ones into Minecraft, or a great family story time tradition.

I read this book to my boys and they loved it! They are completely obsessed with Minecraft and I thought this would be a fun way to learn some things about the game! They thought it was hilarious and we are going to start book 2 tomorrow night! Man, I am super duper excited to read to read the next book-diary of a wimpy Villager horsing around! I highly recommend this book for Minecraft lovers.

I found this book interesting and unique because it is written by a member of Minecraft. This character's diary is written with much wit that any Minecraft aficionado would take a liking with this book. Read this book with your kids and have a bonding moment with them.

It's a fairly typical village, with farmers, clerks, blacksmiths, a priest, and others you'd expect to find in the bucolic setting. The Librarian thinks his boring life among the dusty books will continue, with an occasional zombie or spider. An unexpected visitor turns the villagers upside down. The children's story is fun, interesting, and perfect for kids. There's a nice, understated lesson in the importance of books.

This book is fascinating! If you ask me to choose the top minecraft diary books, then this first series will be included. I can't wait to read the second series. This is a good book for adults as well as teens. I love how the first series start. If you haven't read this book, I would highly recommend it. Thanks!

Well written, fun, short read that fans of Minecraft will enjoy. As it's written in the style of a diary each chapter is a new day with each being short enough to keep the attention of younger readers, but detailed enough for the story to make sense, flow well and satisfy older readers too.

Loved reading this book, with my minecraft playing background, and i am pretty sure you will enjoy

having it in your bookshelf. Looking forward to read more books from this author.

Enjoyable book. The writing was creative and it flowed nicely. The Diary was a well thought out idea and the Wimpy Villager was a different take.
