Customer Reviews

I love Phillip Keveren arrangements. This book is moderate in difficulty. It would be just right for someone in level 3 of the Faber Series. Nice selection of hymns, including "Be Thou, My Vision", "I Surrender All", "Holy, Holy, Holy", and "Come Thou Fount of Every Blessing."

Beautiful music for my son to play on the piano. It is a bit too easy for him, but I didn't pay attention to the fact it says "Easy" on the front. It doesn't change the beauty and timelessness of these hymns though!

This book has many of my favorite hymns. I am an adult who began learning piano 8 months ago. I can sight read these moderately well. The arrangements stay true to the hymns without putting distracting rhythms or backbeats in them. They would be appropriate for more conservative church offertories.

My piano skills are not the best, but I was able to play this hymns for a friend's wedding ceremony. Beautiful arrangements!

I recently received this book as a gift and I am thrilled with the arrangements in it. I do not consider myself a very good pianist, probably beginning intermediate. These arrangements require some practice on my part, but are definitely attainable. They are beautiful pieces in completely traditional style.

I have used this book for many of my piano students... It has the perfect arrangements for transitioning them from simple "lesson" songs to something they really feel proud of and can use for performances. I would recommend this book for anyone wanting to change from short, basic songs to longer, more beautiful pieces.

Great selection of Hymns, beautifully arranged. They are not "super" easy, but well worth learning. You'll love this collection!
