Customer Reviews

Reki Kawahara is an award winning author best known for his light novel series, Sword Art Online and Accel World.

Side story abound in this volume of Accel World. Stories that take place in between volumes from after the events that transpired when Takumu joined Nega Nebulas to Kuroyukihime's own adventure during the time of the Dusk Taker arc to even Haruyuki winding up battling a certain black swordsman from days past. I am enjoying the little tidbits with reading the full depth instead of watching the anime since it has more stuff to think about. Overall still enjoying this awesome series.
