Customer Reviews

Purchased this crochet pattern as I love to crochet amigurumi style animals and dolls. I have not yet

used the patterns.

Cute and simple pattern. Very basic but easily customizable. Works up quickly and is great to use up scraps. You can stitch little braided pigtails under the hats and stitch the hats on and you can stitch the eyes to look like the doll is sleeping.

The book I like because it explains everything

I have not started these yet. Currently on another Amigurumi project which I love. I know these will be wonderful to work on as these patterns have been easy to follow and always turn out wonderful. Having the Kindle edition is the greatest!

I thought I was ordering a book

I love making these amigurumi dolls. They are so adorable! Friend and kids love them and they are so simple to follow.

great idea to be able to make a doll for the granddaughters. Than the dolls are washable, just wash in the washer and dry in the dryer and the doll is clean again so they get a clean doll

Easy pattern to work and comes out so cute! Anyone getting one of these little cuties will be happy with you for giving it.
