My Bondage And My Freedom (Penguin Classics)

Synopsis

Ex-slave Frederick Douglass's second autobiography-written after ten years of reflection following his legal emancipation in 1846 and his break with his mentor William Lloyd Garrison-catapulted Douglass into the international spotlight as the foremost spokesman for American blacks, both freed and slave. Written during his celebrated career as a speaker and newspaper editor, *My Bondage and My Freedom* reveals the author of the *Narrative of the Life of Frederick Douglass* (1845) grown more mature, forceful, analytical, and complex with a deepened commitment to the fight for equal rights and liberties. Edited with an Introduction and Notes by John David Smith"

Customer Reviews

“My Bondage and My Freedom, besides giving a fresh impulse to antislavery literature, [shows] upon its pages the untiring industry of the ripe scholar.”—William Wells Brown

This book is in Electronic Paperback Format. If you view this book on any of the computer systems below, it will look like a book. Simple to run, no program to install. Just put the CD in your CDROM drive and start reading. The simple easy to use interface is child tested at pre-school levels.

Windows 3.11, Windows/95, Windows/98, OS/2 and MacIntosh and Linux with Windows Emulation. Includes Quiet Vision's Dynamic Index. the ability to build a index for any set of characters or words.

Excellent

History is very much of interest to me as try to become more acquainted with pieces of history that I am not familiar. It seems as time passes, what I have learned in the past has become fuzzy. I like having references that I can restore sections of history that I should have remembered from my time in school. Thanks for making this section of history available.

this was one of the books required for my african american experience history class last term. this reading was difficult for me due to the content, but I was able to manage. I frequently had to take breaks when reading it, or else my emotions would start to go haywire and I'd want to go back in time and give them (whites) a good ass-whooping for being utter bastards...

Purchased for a college History course - I was pleasantly surprised by how easy it was to sit down at read 100 pages. Douglass has a really beautiful and engaging writing style, and of course an important and intriguing story to tell. The professor only assigned a certain number of chapters, but I'll definitely be finishing the whole book.

Language is of the time, so takes a bit getting used to. But a fascinating account of what one man experienced as a slave in Maryland. Horrible and degrading. Very highly recommend.

Good book.

Douglass's second, and lengthier, narrative fills in many of the gaps left in his first autobiography: we learn about his mother, his siblings, and more details about his psychological transformation from brute to man. It's quite insightful, as Douglass is careful to relate each of his personal experiences to the innate evil of the peculiar institution, for both the slave and the slave holder.

Great for History. A must read.
