Veterinary Guide For Animal Owners, 2nd Edition: Caring For Cats, Dogs, Chickens, Sheep, Cattle, Rabbits, And More

Synopsis

Whether you own cats, dogs, rabbits, chickens, horses, cattle, sheep, goats, pigs, or a combination of animals, you need expert information to make sure your animal friends stay happy and healthy. From nail care for dogs to treating saddle sores on horses to incubating turkey eggs, *Veterinary Guide for Animal Owners*, 2nd Edition offers advice in easy-to-understand language. With this comprehensive book, learn how to:

- Provide first aid for cattle
- Vaccinate sheep
- Treat a colicky horse
- Breed chickens
- Care for bunnies
- Treat a diabetic dog
- Help a cat with diarrhea

And much more! Whether you are a 4H student, a home breeder raising chickens, the manager of a small farm, or the owner of a new puppy, this book is chock-full of strategies for preventing and curing common problems is for you. Authors C. E. Spaulding and Jackie Clay also include a guide to choosing the right veterinarian, a glossary of commonly used terms, and a recommended reading list, making this a perfect no-nonsense companion for any animal owner.

Customer Reviews

“Written in language that is clear and to the point, the *Veterinary Guide for Animal Owners* makes a handy all-in-one health care and management guide for anyone who keeps a variety of pets and livestock, large and small.” (Gail Damerow, author of *The Chicken Health Handbook* and *Your Goats*) --This text refers to an alternate Paperback edition.

C. E Spaulding, DVM, studied veterinary medicine at Michigan State University and practiced veterinary medicine for over thirty years. In addition, he owned his own farm animals, including

horses, goats, poultry, pigs, and cattle. He is now deceased. Jackie Clay is a trained veterinary field technician with over twenty years of experience. She is also a prolific writer, having authored over four books and hundreds of magazine articles. She is a regular writer for Backwoods Home Magazine, writing on animal care, gardening, canning, and rural, self-reliant living. She lives on a remote homestead in Angora, Minnesota with her family and lots of animals.

This book is very informative. I would definitely recommend this book as a purchase for animal owners. Could help from making unnecessary vet trips

There is more information in this book than what I expected. Glad I purchased it.

Handy to have on hand! Useful information! Recommend for anyone that wants to assist their animal and doesn't have the money to run to the vet for every little thing.

Great for the price.

More technical and above my SkillSet...but good reference book to have

In a book this length covering so many species, I did not expect a veterinary textbook. However, I did expect more detailed explanations and coverage of more animals problems. It is hard for me to imagine this book being useful to anyone.

Great book for anyone who owns a pet

Great book, great condition
