Jill Norman speaks several languages and has travelled widely. Jill also created the Penguin Cookery Library in the 1960s and 1970s, bringing many first-class authors to the list. She has since become a Glenfiddich Trophy winner in her own right, and is a leading authority on the use of herbs and spices. She is the literary trustee of the Elizabeth David estate, and worked with Mrs David for many years.

I saw this at Anthro but I was able to get this here for a cheaper price, This was a present for a coworker that was going to be traveling soon , she liked it. And the size makes it accessible to stick in your purse :)

Gave this as a gift for my sister who is traveling to Italy! It was great for her to flip through for to keep on her while traveling

This book is so adorable and has SO much more info than I thought. I thought it was going to be a little 30 page book with just basics to survive a short vacation but it has a great amount to get you started!

Bought this for my 10 year old granddaughter and she is loving learning new phrases in Italian. Great teaching tool!

Very helpful and easy-to-read book. Very thick though, not compact for traveling.

Great item. Love the size and the how conveniently the phrases are organized within the book. Will be of great use on an upcoming trip to Italy.

This is a really helpful gbook!! it is easy to learn. Highly recommended if you want to learn italian. This brand has many other languages and i will be purchasing others from them.

Didn't end up using it but I do like the setup
