## Customer Reviews

Master the basics of roof and siding repair. Step-by-step illustrations guide you every step of the way, from choosing siding to installing decorative columns; from selecting a new roof to replacing a gutter system, and more.

This book has fairly complete coverage of roofing, but only has about 25 or so pages on siding. I was pretty disappointed in this book because I bought it in preparation for residing my house.

This is an excellent do it yourself guide to roofing
