Who Was William Shakespeare?

Synopsis

The beloved plays of Shakespeare are still produced everywhere, yet the life of the world's most famous playwright remains largely a mystery. Young Will left the town of Stratford to pursue theater in London, where his work eventually thrived and made him a famous and wealthy man. With black-and-white illustrations that include a diagram of the famous Globe theater, Celeste Davidson Mannis puts together the pieces of Shakespeare's life and work for young readers.

I want my high school freshman-to-be to learn about Shakespeare prior to reading one of his plays.

Shakespeare is known world-wide and his life story during the Elizabethan era speaks to the culture of the times. I purchased a book of Shakespeare plays to follow the reading of the short biography.

I purchased this for my son who had an essay to write about Shakespeare. He said it was extremely helpful and a good read.

I love these little books. We use them in our homeschool as we learn of famous and important people through history! Well written for children especially.

I really like this series "Who was" tons of information on important people.
